Ms. Lillian J. Gill, Director
Office of Compliance
Center for Devices and Radiological Health
DEPARTMENT OF HEALTH & HUMAN SERVICES
2098 Gaither Road
Rockville, MD 20850

Ref: FDA Docket No. 99V-0125

Dear Ms. Gill:

Please accept this letter as the request for a renewal of our variance for the CAT IN THE HAT laser display, Accession No. 98A2365.

This laser display has not changed in design or function and is still operating as a fixed indoor feature at Universal Orlando. Our safety procedures and policies as described in the original variance are still intact and being practiced. Your acceptance of this renewal will be greatly appreciated.

Should you have any questions, please contact me at Universal Orlando, 1000 Universal Studios Plaza, Trailer 4, Orlando, Florida 32819 or (407) 363-8944.

Thank you.

Sincerely yours,

UNIVERSAL ORLANDO

Jon G. Fuller, Assistant Director
Ride & Show Safety
Environmental, Health & Safety Department
